MAO Tse-tung has visited Marshal Tito.

Comment. Although there have been rumors that MAO went to Moscow  
in September-October 1950 and January-February 1951, and even that he has  
visited India recently, it is unlikely that he has gone far from China since  
his return from Moscow in March 1950. It is possible that  
MAO met Tito while in Moscow before his return, but this also appears  
unlikely.
